Management Systems Certification Department

Our Ref: MSCD/A-3:1

15/06/2020.

As part of the initiative to augment its outreach among the various stakeholders of management system certification in the country and to deliver the message of benefits and effectiveness of the certification schemes being operated by BIS, it has been decided to develop case studies pertaining to each of the management system certification schemes, with the active involvement, participation and co-operation of the licence holders of the various MSC schemes.

It has also been decided to involve BIS officers (who is qualified in at least one LA course in management system), who are interested and willing to contribute, for preparation of these case studies. Necessary training for the purpose will be imparted to the shortlisted auditors, by outside experts in the field.

Officers upto the level of Sc E, are requested to send in their willingness to MSCD in the following format, latest by 26 June 2020:

Name with Mob. No.	Designation	Dept. / RO / BO / Lab	LA course(s) undergone	Auditor status
