**WITH BANASTHALI VIDYAPEETH ON**  
**30 NOVEMBER, 2023**

Electronics and IT Department and Petroleum, Coal and related products department conducted a Faculty sensitization webinar with Banasthali Vidyapeeth on 30 November, 2023. H (LITD) and officers from LITD and PCD held interactive session with faculty members from the Life Sciences departments (Bioscience and Biotechnology, Chemistry, Chemical Engineering) and the Faculty of Physical Sciences (Physics, Electronics). 54 faculty members participated in the event.

The participants were provided information on identifying committees of interest and guidance on becoming committee members. Additionally, insights were shared on opportunities to collaborate with BIS and ways to contribute to standardization efforts. The session also covered details about BIS's Research and Development initiative and highlighted the ongoing R&D projects of LITD and PCD.

The session garnered significant interest from participants who posed numerous queries, fostering a dynamic exchange of ideas and insights. The participants expressed their intent to delve deeper into the prospects presented and explore potential collaborations. They also expressed eagerness for continued interaction with BIS.
