## Benefits Of Standards

### ISI MARK:-

The mark certifies that a product conforms to an India standard (IS) developed by the Bureau of India standards (BIS); The national standards body of India.

### AGI MARK :-

Agriculture mark (AGI MARK) is the certification mark to assure the quality of agricultural products in India.

### FPO MARK:-

In India, obtaining an FPO mark certificate is essential for ensuring the quality and safety of food products. Entities ranging from food storage units to wholesalers and online food business operators must comply with this certification.

### FSSAI :-

Distributors must ascertain the quality check of food articles.
