Dear all,

This is in reference to the last special meeting of the Public Health Engineering Sectional Committee, CED 24 in which the Committee deliberated on the draft TOR on displacement type chlorinators and approved the same after suggesting few technical modifications. The BIS Secretariat was authorized to edit the same based on the directions received from the BIS internal workshop. The modified TOR for displacement type chlorinators has been sent to the Review committee of BIS for Research projects for approval and further processing. A copy of the modified TOR has also been attached here.

This is for your kind information only.

Subject: Special Technical Committee meeting of the Public Health Engineering Sectional Committee, CED 24 for R&D Proposals on 13/12/2023 at 11:00 AM (Online Only Meeting)

All Members of the Public Health Engineering Sectional Committee, CED 24

महोदय/ महोदया

Further to the discussions held in the last special meeting of the Public Health Engineering Sectional Committee, CED 24, for identification of subjects for R&D projects, the subject of Displacement type chlorinators was suggested. In line with the discussions, Mr Parikshit Bansal from HISAFE Global was requested to prepare a draft TOR which can be put up to the committee for approval. Accordingly, the same is under preparation and will be shared with you in coming few days.

To facilitate discussions on the same and propose modifications/additions, in consultation with the Chairperson, Shri A. K. Sarin, an online meeting of the Committee is being organized on 13 December 2023 at 11:00 AM. The meeting will last about 30 minutes in which we would finalise and approve the TOR to be uploaded on the BIS website.

The details of the meeting are as follows:

Meeting Day, Date and Time:- Wednesday, 13 December 2023 and 11:00 AM

Mode:- Online Only (Through Webex)

Meeting Link:- [https://bismanak.webex.com/bismanak/j.php?](https://bismanak.webex.com/bismanak/j.php?MTID=m66942a5db283e13ce2415a3beb35bc9f)
