NO OBJECTION CERTIFICATE

REF NO: IGS/Lab-Mech/11-18/01

Date: 01-12-2018

To Whom It May Concern

We hereby issue this No Objection Certificate upon request of Rahul Mahaur who worked with us as a Deputy Quality Manager, since 16-03-2017 to 10-11-2018. During his working tenure of less than two years we found him loyal, punctual and committed towards his work.

He has capability to do work under stress conditions and his time with our team was appreciate-able. He is leaving this job due to his personal reasons and we have no objection where he will start his career further. We wish him good luck for his future.

Yours Sincerely

For Indian Geotechnical Services
